about lobsters

On Tuesdays, we're going Mad About Lobsters!

Join us every Tuesday where lobsters are the stars of the show!

Celebrate lobster season in style at The Somerset. Get things rolling with our refreshing lavender lemonade spritzer. Feast on 8oz grilled lobster tails with lemon and butter served with our Caicos coleslaw with mango, fresh pineapple and coriander. Nibble on our corn on the cob with chilli butter and tuck into our delicious truffle roasted potato wedges. And as for dessert, our grilled pineapple with coconut rum glaze and vanilla cream alongside a price of just \$42 always makes for a happy ending.

Lobster not your thing, then try our tasty grilled chicken.

6:30 til' late with music from NaDa. \$42 per person.
