

THE SOMERSET
ON GRACE BAY

Dining at The Somerset

"Glamorous" is one key word for the dining experience at [The Somerset on Grace Bay](#). "Delicious" would be another. The fine dining experience is exalted at O'Soleil, The Somerset's chic signature restaurant, where Executive Chef Lauren Callighen serves globally-influenced cuisine and takes it to an entirely new level in this elegant space. The dining room, with its soaring white walls, high ceilings and crystal chandeliers, is tropical-formal. For variations on this style, guests can reserve the O'Soleil Wine Room, where a party of 10 can enjoy an intimate dinner, or even opt for the modern O'Soleil Private Dining Room, which also accommodates 10 diners.

In these rarefied settings, Chef Callighen offers her vision of contemporary Turks & Caicos resort cuisine, where she combines the bounty of the Caribbean and marries it to her version of Mediterranean-style cooking. Curried grouper, Karubuta pork tenderloin and seafood risotto share star billing on this menu, which is abetted by a stellar wine list.

At The Somerset's casual eatery, LunAsea Pool Bar, the setting is alfresco chic. Chef Callighen cuts loose with a more freewheeling menu, ideal for this pool side location. It's a place to enjoy sea breezes and conch fritters, a Caicos bank lobster wrap and cooling Key Lime pie, all in a setting that's still style-forward and delightful.

For those who rather dine in the comfort and privacy of their own room, suite or villa, The Somerset also provides this option. Whether it's an intimate dinner for two, a family celebration, or a small business gathering, The Somerset can provide everything you might require.

Chef Callighen has her own blog, which gives updates to the latest on the dining scene at The Somerset. For more information visit, <http://blog.tropicalimaging.com/2008/09/22/osoleil/>.
